The elven songmaster **Tyen'sail** took an interest in Raven's armour and worked for twelve days straight, each movement of his chisel accompanied by a song of power. It is said that the armor sang a song of victory for its wearer, providing him with confidence and calm during battle. It is his notes that Geralt must find as one of the components required to re-make the famous armor in the Armor quest. He also trained the blacksmith Lazare Lafargue.

Trivia

- The name of the elven master is possibly a reference (and partial acronym) of the Brythonic bard Taliesin.
